Thanks Pete. Shall we pack Kevlar with our waders? Just kidding!

Have a great evening! We are getting some snow tonight!

Pete, that is great!

Hey so on the subject of Tribes, I have a question for you...

Andrew Todd, Josh Baker, and I plan to travel to Fort Berthold Indian Reservation the week of May 23 to meet with TAT Environmental Division staff and assist with some field work.

We would also very much like to go to Bismarck and meet with y'all who aren't in the field on Thursday, May 26, if that works for folks. That is, if you're willing to meet with us!

Thanks so much for considering it. Talk with you soon.
